“Bringing Edification, Exhortation, and Comfort to the Body of Christ Worldwide”

From the bookshelf by Pattie DeLea

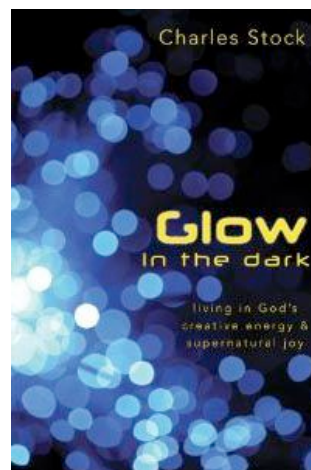

Charles Stock

If you are a thirsty seeker of God, “Glow in the Dark” is a book you will thoroughly enjoy. Charles Stock has a way of expressing our Bridegroom King in the most exquisite and exhilarating of terms. My heart leapt within me as I was reading this account. First, because of the beauty of the King and second because of His great kindnesses to those who seek truth.

The account of the author’s own search for truth was really amazing and easily relatable in your own life.

We have had the opportunity to hear and also be ministered to by Charles and his dear wife Anne a few times at our church. They have always struck us as extremely genuine people, good people, Jesus people. Get this book if you want further insight into a closer walk with the Divine. It is, like it’s author, gentle, powerful, and full of the joy of the Lord.
