“Breakthrough Prayer” by Guillermo Maldonado
 This is an excellent book on the power of prayer that can help any believer build their relationship with God the Father. There are powerful insights to be gleaned from its pages. I believe every member of Christ’s body needs to read this book. Those that regularly engage in intercession will be encouraged. Those who have not yet made intercession part of their lifestyle will be convinced to do so. This book opens the door to the supernatural and will show the reader how to enter into a realm of God they may not yet have experienced. We highly recommend this book. It is a keeper.
