## Praise Reports

I was becoming concerned about my mom, who is elderly and lives in another country. She doesn't always do as her medical doctor tells her, but she is a praying woman. Recently, she was in need of someone to be with her to help out in the home and take her to her appointments etc. Unfortunately, I am unable to go to see her because of my job requirements. I am happy to report that after praying for the Lord's help, my own sister will be traveling to the home country and bringing mom back to the United States. Glory to God. M.M.

We are rejoicing in our Lord Jesus this day. Our precious daughter, after many months of searching and filling out job applications, has landed a job at a time when there are scarce opportunities. She finally has benefits and vacation time. She has quite a bit of training to go through and this particular job has the opportunity for even better job doors opening. We thank the Lord in advance that she will have divine favor with her boss and find lasting friendships in this new venture. Thank you Lord, for only You have done this. We also want to say a special thank you to the RDM prayer partners and several other dear friends, for all their prayers over the last several years while she was in school and more recently, searching for a job. P.D.

I had requested prayer from my prayer partner for the last few months. It was concerning a real estate situation where I work. Suffice it to say, we were both praying and the Lord recently answered our prayers. The property closed escrow, and what a huge blessing this was. Sometimes it takes time for all the details to work out for what we pray, but the Lord, who is a

Sovereign Being, knows exactly how and when to answer us. All glory to His wonderful name. C.F.

I am so thankful to be part of RDM. Thank you for accepting me to be part of this family. To be with leaders and be discipled by leaders that so love JESUS, the Word, and the Holy Spirit. This connection is totally of God and I am so very blessed. Thank you for the beautiful card. The Jewish teaching is like swimming in an ocean that is only God. My goodness. I have no words. No words. Thank you again. M.M.

Maybe a year ago Pattie gave me a word about God that moves my mountains. In 1990 I came to America with \$500.00 to my name. Today, October 2024, the property deed got recorded for my home. All the assets have been assigned to me. The funny thing is that the Lord released this into my life when He knew it would never shake the place of my first love, Jesus. I am so grateful. He always does what is best for His Children. M.M.

Next, I was just sitting at my daughter's house yesterday while one of her kids was having a complete meltdown. In the natural I thought, give this girl an award for her ridiculous acting. However, instead of enabling her with appeasing words of affirmation, I took her hand and told her I was going to pray for her. I took authority over the menacing spirit, and commanded it to go and pled the blood of Jesus over her. I spoke shalom to her spirit, nothing missing or broken, in Jesus' name. Ha! It was great. The enemy was stopped in his tracks, and they were all left speechless. God is in control, not these awful things. D.C.
